The Cisco 700-680 certification exam consists of multiple-choice questions and simulations that test the candidate's knowledge of key concepts related to Cisco's collaboration cloud-based services. The exam is conducted online and can be taken from anywhere in the world. To prepare for this exam, candidates can enroll in training courses offered by Cisco or use study materials available online. Upon passing the exam, candidates will be awarded the Cisco Collaboration SaaS Authorization (CSaaS) certification, which is recognized globally as a symbol of expertise in cloud-based collaboration solutions.
